

**DOCUMENTATION CHECKLIST FOR
INITIAL SPONSORSHIP IN AN ACGME-ACCREDITED CLINICAL TRAINING PROGRAM**

This checklist outlines the basic documentation and fee required to apply for initial ECFMG sponsorship to participate in a clinical training program accredited by the Accreditation Council for Graduate Medical Education (ACGME) and/or leading to certification by an American Board of Medical Specialties (ABMS) member board. ECFMG reserves the right to request the original documents and/or additional documentation. Submission of a complete on-line application requires close coordination between each applicant and the Training Program Liaison (TPL) at the teaching hospital.

ECFMG reserves four to six weeks from the time all required documentation is received for review and processing. Any deficiencies and/or requests for additional documentation will be communicated directly by ECFMG to the TPL. It is recommended that applicants and/or TPLs retain a copy of all uploaded materials.

STEPS IN THE APPLICATION PROCESS

The application process requires completion of the following steps:

1. Through EVNet, TPL submits an on-line appointment profile
2. Through EVNet, TPL uploads the necessary supporting documents for each applicant (Exception: Statement of Need (SoN) must be an original; see below for details)
3. Through OASIS, applicant accepts on-line appointment profile, pays the \$325 administrative/application fee, completes the electronic application, and uploads any documentation (not already submitted by the TPL) needed to complete application
4. By mail or courier service, Ministry of Health official or applicant submits the original SoN (see below for details)

NOTE: All uploaded documents must be in PDF format and must be uploaded one document at a time.

DOCUMENTATION REQUIRED OF ALL INITIAL APPLICANTS (ACGME-ACCREDITED PROGRAMS)**• CONTRACT OR LETTER OF OFFER**

The contract or letter of offer must specify start and end dates of the training year, specialty and subspecialty of the training program/pathway, training level, and stipend, and must be signed by both the applicant and an appropriate hospital official.

• STATEMENT OF NEED

In all cases, ECFMG must receive the **original, official Statement of Need (SON) issued by the Ministry of Health**. To be accepted by ECFMG, the original SoN must be received in the original sealed envelope of the Ministry of Health. In addition, the Ministry of Health official issuing the letter must place it in a Ministry of Health envelope and stamp the outside flap with the issuing government seal. The document should be forwarded directly to ECFMG; if the sealed envelope is opened, ECFMG will not accept the SoN. **Electronic or scanned copies of the SoN will not be accepted by ECFMG.**

Sealed Ministry of Health envelopes may either be mailed directly to ECFMG by the Ministry of Health OR the applicant may place the sealed envelope containing the SoN in an air courier envelope and send to:
EVSP/ECFMG 3624 Market Street, Philadelphia, PA 19104 USA

Additionally, the SoN must:

- Be issued by the federal/central office of the applicant's country of most recent legal permanent residence; **uploaded copies, scanned or electronic versions, will NOT be accepted by ECFMG**
- Be issued on official Ministry of Health letterhead and addressed to ECFMG
- *Exactly* follow prescribed wording outlined in the U.S. Code of Federal Regulations (CFR) §62.27
- Align with the training specialty/subspecialty being pursued
- Contain the official stamp or seal of the issuing government *and* dated signature of issuing official on the SoN

- Be issued in English; if not issued in English, a certified word-for-word English translation is required (again, please note that the SoN and any translation must follow regulatory prescribed language)

See the EVSP website at <http://www.ecfm.org/evsp/snletter.htm> for additional information on required SON format and wording. It is important to note that the source country for the SON cannot be changed once an applicant acquires J-1 status. Any/all subsequent SONs must be issued from the same source country.

Any SON that does not meet *all* of the above-specified requirements will not be accepted by ECFMG.

- **TRAINING PROGRAM DESCRIPTION (if entering subspecialty training)**
The training program description must follow the guidelines description, available on the EVSP website at <http://www.ecfm.org/evsp/evspgfpd.pdf>. If the program duration exceeds 12 months, please define the training activities for each year.
- **CURRENT CURRICULUM VITAE (C.V.)**
The C.V. must detail the applicant's education and professional history to date in a month/year to month/year format.
- **COPY OF PASSPORT NAME PAGE(S)**
Submit a copy of the passport name page for the applicant and each dependent.

ADDITIONAL DOCUMENTATION (required if applicable)

If the application is approved, ECFMG will issue Form DS-2019, *Certificate of Eligibility for Exchange Visitor (J-1) Visa Status*, to the TPL via first-class U.S. mail. ECFMG is not authorized to release the Form DS-2019 directly to the applicant. To expedite delivery, it is recommended that a *prepaid/preaddressed courier service airbill* be printed from an on-line source *and* uploaded with all other required documentation. Time constraints typically prevent EVSP staff from addressing airbills.

A certified, word-for-word English translation must accompany a non-English document.
